7. If any rope access technician loses their logbook, they should replace it immediately and, where possible, obtain references for the hours they have lost. Where lost hours are required to move up a level, e.g. Level 1 to Level 2, the candidate shall obtain credible references to verify the hours they have lost. Maintaining a scanned copy can guard against such problems.
8. Proven fraudulent misuse or alteration of an IRATA International log book will result in the suspension or withdrawal of the technician's IRATA International registration.
